

North Riverside Neighbors

please join us on

Nextdoor

Nextdoor is a free & private social network just for neighborhoods. Neighbors share crime & safety concerns, community issues, local events, recommendations, items for sale/free & more.

It's great for everything from finding a babysitter to finding lost pets, recommendations for restaurants to recommendations for physicians & specialists, selling kids bikes to selling concert tickets!

Posts can be limited to only your North Riverside neighbors or you have the option of posting to any or all of 51 nearby neighborhoods in Sandy Springs & East Cobb. If you are looking to buy or sell an item you also have the option of posting to a broader Greater Atlanta area.

We hope you will join & help build a better neighborhood!

Thank you!
